

The Alberni District Fall Fair Association takes the well being of our guests seriously. We have implemented measures to ensure we have reduced the risk of communicable disease starting when you are entering our admission gates with our new tap and go payment method, our numerous Sani stations that will be situated throughout the grounds including the midway and making sure our buildings are well ventilated. We will have protocols in place if masks will be required when entering our buildings. Our trained janitorial crew will be diligent in keeping all our washrooms cleaned on a regular basis and eating tables cleaned. There will be lots of signage indicating the measures we have put in place to ensure you have an enjoyable time.
