

VIRTUAL HOME ARTS EXHIBITORS

Welcome to our Virtual Home Arts competitions. We hope you will consider entering in 2021. As you can appreciate with the Covid – 19 pandemic we have not been able to have a fair since 2019, and although we are hosting an event in 2021, we felt we were not in a position to host a live Home arts show. We did a scaled down version of a virtual home arts competition in 2020 and are now pleased to offer a new enhanced version. We have had some great prizes donated for our first-place winners. There is no cost to enter this year. The winners in each class will be featured on our virtual website www.myfair.ca.

The following are steps we need you to take to become an exhibitor.

1. Check out the list of home arts classes offered.
2. Enter online. The link is on our website.
3. Attach three pictures of your exhibit on the online entry form.
4. Entry deadline is August 31, 2021
5. We will compile all the entries, send them off to be judged, and post and acknowledge the first-place winners on our virtual website www.myfair.ca, which will stay active for one year.
6. All first-place winners will be sent their prizes.
