

Welcome to the 75th Annual Albemni District Fall Fair

Dear Participants:

Welcome to the marketing event of the fall, September 8,9,10,11th.

This is an opportunity to showcase your beautiful products with exposure of 19,000 plus visitors that attend the fair yearly. Although we haven't had a full fair since 2019, we are looking forward to getting back to a new normal fair which will include craft vendors.

Craft vendors will be situated in the Kin Hut building in the center of the fairgrounds, utilizing two rooms and a wide hallway to maximize exposure and space.

This opportunity is not meant for small home-based businesses but rather craft vendors and artisans. The products you provide for sale at the market must be listed on your application.

Attached is the application and craft vendor rules and regulations. Please submit your application as soon as possible, and once you are accepted you will be notified by email to make your payment. Your space is secured once payment is received. We do our best to limit vendors who solely sell the same product line/style and try to avoid as much overlap as possible, however, there could be a slight similarity in a product offering. Submitting your application without delay can help ensure you have a spot for this year.

We look forward to seeing you at this year's fair.
